

Coverage for Cedars-Sinai with Medicare

Cedars-Sinai has served the needs of Medicare beneficiaries since the program began in 1966. Cedars-Sinai is included in both traditional Medicare and Medicare Advantage plans. Coverage is also available for people who have both Medicare and Medi-Cal.

Traditional Medicare (Part A and/or Part B)

If you have traditional or original Medicare (Part A and/or B), including Medicare supplement insurance (Medigap) plans, you will have coverage for care from Cedars-Sinai and many of our doctors.

Medicare Advantage (Part C)

- Part C, also known as Medicare Advantage or a Medicare Health plan, is purchased from a private insurance company approved by Medicare and typically organized like a Health Maintenance Organization (HMO) or Preferred Provider Organization (PPO) insurance plan.
- Part C puts coverage from both Part A and Part B into one plan. Most of these plans also include Medicare Part D drug coverage.
